Bank transfer instructions

Hello,

We want to make sending money simple. That's why we've put together this handy guide to help you make your bank transfer in branch.

On page 2, you'll find the instructions to give your advisor at your bank - so make sure you take it with you.

Before you go in branch, please bear in mind:

- To get your guaranteed rate, we need to receive the full amount (8,000.95 CAD) by 00:12 EST, Sunday October 17. If you miss this, we'll use the live rate instead.

When you're in branch, remember:

- Our account is in CAD. So your advisor needs to make a local bank transfer for you, not an international one.
- Your advisor may offer you international transfer service instead. But as you know, sending money with your bank is often slower and more expensive.

Once you've made your bank transfer:

- You can tell us that you've made your bank transfer from the Wise website or mobile app.
- We'll let you know when your money's arrived in our account.

That's it! Good luck out there. If you need any help, we're just a call or email away. You can find our contact details at the top right of this page.

Thanks,
The Wise Team
